

FURTHER SUPPORT TO REFUGEES AND IDPs IN SERBIA

November 2012
Newsletter
No. **06**

THE PROJECT ENDS, THE PROBLEMS OF IDPS AND REFUGEES CONTINUE...

More than twenty years after the initial waves of refugees and 13 years after the last wave of IDPs, one could expect that refugee and IDP issues are somehow settled or going to be settled soon... [> read more](#)

A FEW DATA ABOUT THE PROVISION OF LEGAL AID...

Summarising the work of 8 Legal Officers, 2 reporting officers and 6 interns over a period of two years is not an easy task. [> read more](#)

PROJECT INVOLVEMENT IN THE PROCESS OF THE PRIVATIZATION OF "PEC BREWERY" IN PEC

In March 2012, the Project submitted to the Privatization Agency of Kosovo in Prishtina a list of persons, who were presumably eligible to share the profits from the privatization process. [> read more](#)

NEW REPORT - TAXATION OF IMMOVABLE PROPERTY OF INTERNALLY DISPLACED PERSONS IN KOSOVO

The post-conflict property repossession is not an end in itself. [> read more](#)

RULE OF LAW ASSISTANCE TO KOSOVO NOT SUFFICIENTLY EFFECTIVE

Kosovo is the largest per capita recipient of EU financial aid in the world and is home to the largest civilian crisis management mission ever launched by the Union (EULEX). [> read more](#)

A MOMENT FOR OUR INTERNS

At the moment when the media campaign reached its peak, in January 2012, there was an urgent need for additional help in the office when it came to the legal component.
